

Friendship Spotlight

Carol, Agania and Joyce

In February, we are celebrating Valentine's Day, known for love and friendship. We would like for you to meet Carol, Agania and Joyce. These ladies have been friends for over a year. They share a special bond of understanding and caring for one another. They attend most of the same activities every day. You can often catch them in the hallway laughing about something funny that happened that day or reminiscing about past events. One thing is for sure, they have been friends through thick and thin, no matter what!

Team Member Spotlight

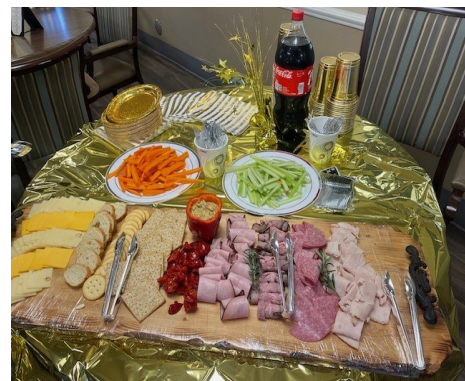

Scarlet, Caregiver

Scarlet is the newest team member of our family. She is a caregiver and wants to become a nurse. She is from Medford and relocated to Woodburn to enroll in the nursing program at Chemeketa. She will find out if she has been accepted by summer. Scarlet's mom takes care of her tortoise named Mr. T and two cats named Cheeto and Frodo. In her spare time, she likes to fish at the St. Louis Pond in Gervais. She likes that it is peaceful there. Her other likes are sightseeing and exploring new places in the area to visit on her days off. Her favorite food is sushi.

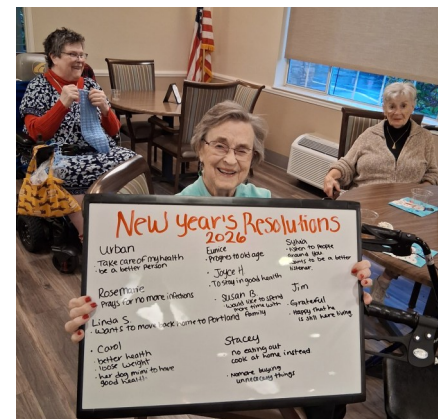

moments captured

Residents enjoying a nice outing to explore the outskirts of Mt. Angel. Not only do we promote indoor activities, we also like to grab fresh air every Saturday.

What a great New Years Celebration we had! Our residents were able to share some of their New year resolutions with us. What are your resolutions for this year?

Dear Residents,

February is here, The month of LOVE! During this month we want to take the time to spread Love, Kindness and Respect. Let's spread the word and model these three actions with one another. What are your favorite memories for Valentines Day?

During this month we also want to take the time and appreciate our Caregivers and Med techs. February 20th is National Caregivers Day. Please help me say Thank you to all of our wonderful care staff. They go above and beyond to take great care of our community.

We would like to also remind you that if you have a close friend or family member, we welcome Resident Referrals and we are pet friendly. Please see Michelle for details on Referral Credit.

Thank you,
Teresa
