

Resident Spotlight - Janice

Meet Janice! She is from right here, born and raised in Woodburn. She has five brothers and two sisters and spent her time working on her family farm at Bauman Farms. She is the eldest of the eight children. Janice really enjoys all of the kind people she has met here at the community, and looks forward to visiting with them daily.

Team Member Spotlight - Maggie

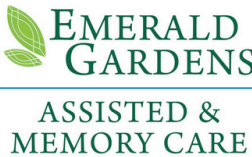

Meet Maggie! She is one of our amazing activity assistants here, and she has been here with us since 2024. She really enjoys shopping and spending time with her kids in her free time. Maggie was born in Silverton and raised in St Paul. Her favorite part of her job would be the memories and the smiles that the residents share with her.

The Month In Moments: Smiles, Celebrations, & Connections Shared!

A Fresh Look, More Connection!

You may notice a fresh look to our newsletter and calendar this month! We’ve introduced TSO Life, a new tool to support our Life Enrichment program and strengthen communication with residents and families. As our team learns the technology and gradually incorporates it into our planning, our focus remains on meaningful experiences, personal connections, and keeping you informed. We’ll share more information and resources over the coming months. Thank you for your patience as we learn and make thoughtful updates along the way!
